

REMARKS/ARGUMENTS

The subject response is directed to address certain informalities in the earlier response. In particular, claim 9 failed to indicate the change in dependency from claim 8 to claim 7, the change in dependency being necessitated by the cancellation of claim 8 in the earlier response. Also, claims 3 and 10 both claimed dependency from themselves; claims 3 and 10 have now been amended to correct this informality. No substantive modifications have been made.

Conclusion

In light of the foregoing amendments and comments, it is respectfully submitted that all claims are in condition for allowance over the art of record. An early allowance of all claims is respectfully requested.

If there are any fees necessitated by the foregoing communication, the Commissioner is hereby authorized to charge such fees to our Deposit Account No. 50-0902, referencing our Docket No. 66329/00008.
